

## QUILTS AND NEEDLE ARTS FESTIVAL 2025 ENTRY REQUIREMENTS

**All quilts entered must accompany a \$5.00 per quilt charge.**

- All quilts must be constructed of three layers of fabric and contain some amount of quilting. While quilting done for hire is permissible, commercially produced quilted items do not qualify.
- Any quilted item that has not been entered in a previous QANA show is eligible.
- An identification label which includes the entrant's name, address, telephone number and the name of the quilt must be sewn onto the back of every quilt entered in the show. Bag/totes must have an identification label which includes the entrant's name, address and telephone number. To label these items, you can baste a muslin label or tape the information in a bag which can easily be removed.
- A 4" sleeve must be sewn to the back of the quilt. If your quilt is more than 90" long, place the top edge of the sleeve 90" from the bottom of the quilt. Entries without a sleeve WILL NOT be accepted. (Please see instructions on back for making the sleeve.)
- All quilts must be clean, free of smoke, pet hair or odors. Soiled quilts or quilts with odors will not be eligible for display.
- The QANA committee reserves the right to reject any unqualified or misrepresented quilt show entry. All decisions of the QANA committee are final.
- Quilts that do not meet the requirements listed will not be exhibited. Entrants will be notified of disqualification as soon as possible.
- All entries for the 2025 festival are eligible for People's Choice awards during the show from those in attendance. **Only one voting sheet per person per day will be accepted.** Note: People's Choice is the ONLY quilt judging conducted during the show.
- Quilt show entries may be offered for sale but must remain on display until the end of the three-day show. **All transactions are the responsibility of the individual quilt owners.**
- All quilts will be handled with the greatest care; however, QANA will not be responsible for damages of any kind. Your quilt show entry MAY be covered under your homeowner's insurance policy.

## QUILT SLEEVE INSTRUCTIONS

Cut a piece of fabric 8.5” wide and equal in length to the width of your quilt. Make a one-inch hem on the two short edges of the fabric strip. With wrong sides together, sew along the long edges of the strip using a ¼” seam allowance. Turn the sleeve right side out and press. Slip stitch both top and bottom edges to the top of your quilt back, leaving the ends open so that a rod may be inserted into the sleeve to hang the quilts for display. **For quilts longer than 90 inches, please be sure that the top edge of the sleeve is sewn 90” from the bottom of the quilt!**
